A SIMPLE GUIDE

To help us continue to educate our students in proper concert behaviors, to honor their hard work in preparing for this concert and to ensure the positive experience for all of our audience members, please adhere to the following guidelines:

Please be mindful of applauding during songs. We know you want to show your appreciation but let's give them all one big applause at the end of each song!

No talking or whispering, especially during singing!

Do not bring food or drinks into the auditorium.

Be careful of noise caused by wrappers, jewelry, phones, children or anything else.

Turn cell phones off or silence them (no calls, texting, or phone use other than pictures are allowed)

Sit near the back doors of the auditorium with active children.

Do not call out, whistle, or shout during any point in the concert.

Keep movement in the auditorium to a minimum.
